ABOUT COLLEGE

Mata Gujri College of Nursing, Kishanganj is established by Mata Gujri Memorial Medical College & Lions Seva Kendra Hospital, Kishanganj, Bihar which is a recognized Medical College & Hospital for Under Graduate (M.B.B.S) and Post Graduate (M.D./M.S.) Course since 1990.

Mata Gujri College of Nursing is attached with 650 bedded parent Hospital, Mata Gujri Memorial Medical College & Lions Seva Kendra Hospital in the same Campus & affiliated with Mata Gujri University, Kishanganj, Bihar. We are already providing GNM Course since 2012 with 60 seats intake capacity under M.G.M GNM Nursing School. We have high qualified and experienced faculties, such and updated Library and Practical Knowledge in well equipped and furnished Laboratories.

Mata Gujri College of Nursing is situated in the town of Kishanganj on the north-east part of the State of Bihar. It is on Delhi-Guwahati National Highway No.31. The town is well connected with all important cities and towns of Bihar and also with neighbouring States by rail services. The town is blessed with pleasant and salubrious climate, most conductive and congenial to the atmosphere of study. Kishanganj is only 400 kms from Patna Sahib, 500 kms from Kolkata and 90 kms from Bagdogra Airport, near Siliguri (Darjeeling)

THE PHILOSOPHY OF MATA GUJRI COLLEGE OF NURSING

The Mata Gujri College of Nursing, Kishanganj believes that:-

- Nursing curriculum should be planned according to the health needs of the society to meet the health care challenges by fulfilling educational need of the student for their all round growth and development.
- The college also believes that "Every poor deserves the best". All the health care consumers should be treated with respect, dignity and compassion.
- Mata Gujri College of Nursing believes in endorsing excellence in every area of its teaching, maintaining and developing its position as world Class College to enrich international and regional communities through the skin of its nursing graduates. The college also pursues ideal healthcare that fits the local culture and lifestyle and provides learning activities rich with practical and applied educational materials based on research findings. It therefore believes in guiding the students to the profession through its unique educational program.
- Each faculty of the institution assumes the responsibility as to be the role model and helps in creating learning environment that enables students to acquire driven. Self directed learning and foster an attitude of life long lasting.
- Thus the MG College of Nursing believes in preparing its graduates to become exemplary citizen by adhering to the code of ethics and professional conduct to all times in fulfilling personal, social and professional obligations so as to respond to national aspirations.

OUR VISION

- To Educate, Illuminate & train the B.Sc. (Nursing) Students for better tomorrow.
- To strive for Excellence in Education & Health Care.

OUR MISSION

To be one of the best B.Sc. (Nursing) Institutions on the global map by developing individuals through skilled, well planned, coordinated Nursing training, conducting applied research & developing institutional resources.

OUR MOTTO

"SERVICE TO MAN IS SERVICE TO GOD ."

AIMS

The aim of the undergraduate nursing program is to:

- Prepare graduates to assume responsibilities as professional competent nurses and midwives in providing promotive, curative, and rehabilitative services.
- Prepare nurses who can make independent decisions in nursing situations, protect the rights of and facilitate individuals and groups in pursuit of health, function in the hospital, Community nursing services, and conduct research studies in the areas of nursing practice. They are also expected to assume the role of teacher, supervisor, and manager in a clinical/public health setting.
- Develop excellence in nursing with a view to generate new innovative approaches in health care system.

OBJECTIVES

The Mata Gujri College of Nursing, Kishanganj endeavours to develop a graduate level nurse who will be able to:

1. Apply knowledge from physical, biological, and behavioural sciences, medicine including alternative systems and nursing in providing nursing care to individuals, families and communities.
2. Demonstrate understanding of life style and other factors, which affect health of individuals and groups.
3. Provide nursing care based on steps of nursing process in collaboration with the individuals and groups.
4. Demonstrate critical thinking skill in making decisions in all situations in order to provide quality care.
5. Utilize the latest trends and technology in providing healthcare.
6. Provide promotive, preventive and restorative health services in line with the national health policies and programmes.
7. Practice within the framework of code of ethics and professional conduct, and acceptable standards of practice within the legal boundaries.
8. Communicate effectively with individuals and groups, and members of the health team in order to promote effective interpersonal relationship and teamwork.
9. Demonstrate skills in teaching to individuals and groups in clinical/community health settings.
10. Participate effectively as members of the health team in health care delivery system.
11. Demonstrate leadership and managerial skills in clinical/community health settings.
12. Conduct need based research studies in various settings and utilize the research findings to improve the quality of care.
13. Demonstrate awareness, interest, and contribute towards advancement of self and of the profession.
14. Provide qualified nurses to cope with advancement in medical science and technology.
15. Be efficient in teaching to nursing students as well as providing direct patient care.
16. Incorporate evidence based teaching learning activities in nursing curriculum to strengthen nursing practice for quality and cost effective nursing care.
